OUR STORY

It was a cold November day in 2009, and Mr. Jones was frustrated with the coffee situation in Anytown. "We deserve good coffee!" He said as he dumped out yet another cup of lukewarm, mediocre brew onto the ground. "Why can't we have good coffee?"

The wind blew, snatching the empty cup from his hand. End over end, it tumbled across the street. To not be a litterbug, Mr. Jones ran after it. He came to a stop in front of a vacant storefront at 100 Main street. He picked up the cup, and his gaze caught the "For Lease" sign on the window. As if divinely inspired, that was the moment that Mr. Jones knew it was up to him to make things right.

The rest is history. Anytown Coffee & Bake Shop was born. Thanks to Mr. Jones, good coffee made its debut in Anytown six months later, and good coffee is here to stay.

Hot or iced. Sweetened or unsweetened. Cream or no cream. With a cookie or muffin on the side...However you like your coffee, we'll take care of you.
